

Getting to know you

The entertainment for today
Is Me and You and Everyone!
To share our personal stories
Especially the fun

How happy were your School Days
How tasty was School Dinner
When Sports Day came around
Were you a Loser or a Winner

What about your job of work
Did you make lots and lots of money
Who was your first boyfriend
Were his kisses sweet as honey

Have you married the man of your dreams
Living happily ever after
Or did you make a big mistake
Which ended in disaster

Do you have a little kitten
A great big barking dog
Maybe you feed the garden birds
And Mr Harry Hedgehog

Are you a Knitty Nora
Making lots of woolly hats
Love baking creamy cakes
Even though they make you fat

Do you train for Marathon
Practise Yoga or Tai Chi
Prefer walking quickly to the Corner Cafe
For a nice hot cup of tea

Will you fly away on holiday
To Mediterranean sea and sand
Choose meandering through the meadows
Of England's green and pleasant land

Stop! Enough of the questions
I hear you loudly say
Okay I think you're right
Please have a lovely day

To all the Good Women of the Guild
Wishing you well
