

**The Townswomen's Guild's petition to Her Majesty's Government concerning the inclusion on the marriage certificate of the names and occupations of both the father and mother of the bride and groom.**

In 2014, former Prime Minister David Cameron promised to 'address the current inequality in marriage' by including the names and occupations of mothers, as well as fathers, on marriage certificates. **This has not happened.**

**We, the undersigned, call upon the government to set a firm date when this will be put in place.**
